2. Game Rules

Teams will be divided into two pools – Pool A and B. Each team will play every other team in their pool. The top two teams in each pool will advance to the semifinals. The winners of the semifinals will advance to the final to play for the gold/silver medals. The semifinal losers will play for the bronze medal. The tiebreakers used to determine pool winners are:

Head to Head record

Points scored (through 10 rounds)

One game playoff

- Cornhole boards will be 27 feet apart (from front edge of board).
- Each team plays with 4 bags.
- Coin toss will decide who goes first.
- Opponents alternate tosses until all 8 bags are thrown.
- Red bags throw first in odd-numbered rounds; blue bags throw first in even-numbered rounds.
- Bags that hit the ground and bounce up on the board or are half on the board and half touching the ground should be removed before another bag is thrown.

Scoring

- 3 points for each bag in the hole
- 1 point for each bag on the board
- All points count. For example, if Player A scores 5 points and Player B scores 3 points, the score is 5 to 3.
- Games will be 10-round games (5 rounds per teammate). The highest score at the end of 10 rounds is the winner. You do NOT need to win by a margin of 2. In the event of a tie, a sudden death round occurs and the winner will be the first team to take a lead at the end of the round.
